## Lessons from Bible Guys: Jehoshaphat - Part 2

L

Last month we saw Jehoshaphat (one of the "good" kings of Judah) set us the example of the desire to continue to grow in our knowledge of God.

This month we see another example from 2 Chronicles 20:3

*"Jehoshaphat resolved to inquire of the Lord."*

Several times we are told that Jehoshaphat, when faced with a decision, sought the Lord's guidance before making his decision.

His comment at the end of a prayer where he seeks God's guidance is particularly helpful for us: *"We do not know what to do, but our eyes are on you."* Jehoshaphat admits that he doesn't know what to do, but he trusts that God *does* know what to do. Of course, God does know what to do and he showed Jehoshaphat.

How often do you automatically jump right in to tackle a problem or make a decision without consulting the Lord for his guidance? How often do you think you know the best thing to do in a certain situation - but you don't stop to ask if this is what God wants you to do?

We like to think we know what's best. But often we don't. God always does. What situation or decision are you faced with right now? Take a moment to follow Jehoshaphat's example and "inquire of the Lord." Then ask him to open your eyes to see the answer he gives - and to give you the courage to trust that God's answer is the right one.

## Help Out One Day at City Life Center

On Monday, October 3, we will travel to the City Life Center in Minneapolis to help out in whatever ways we can. City Life Center is a caring pregnancy center. Betty McGuire is the executive director. We will meet at the parking lot behind the Post Office in New London and leave for the Cities at 8:30 that morning. Please contact Violet Dauk for details.

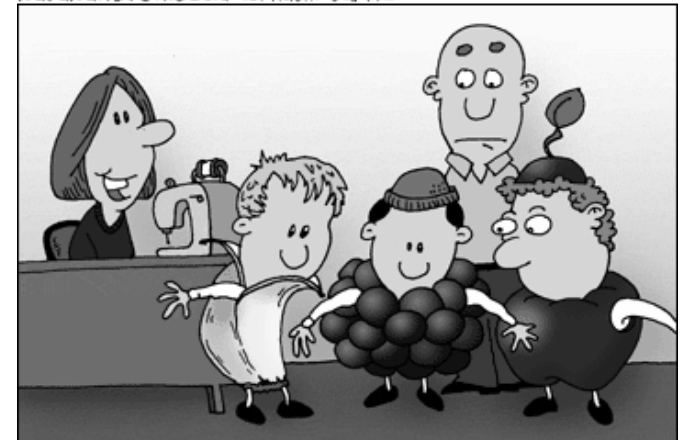

## Coordinate our "Make-and-Take A Meal" Program

We are looking for someone to take over the coordination aspect. This position is responsible for collecting names of people going through a tough time (people who could use a meal). It is also responsible for contacting the people who have volunteered to make and take meals to let them know when a meal is needed. If you can serve the Lord in this position, please contact Tammy Fuglie. Thanks!

## Help with Children's Church Once a Month

During the sermon message in the sanctuary, you will lead children in a Bible story, activity based on the story (e.g. coloring pictures) and prayers. Bible story and activity is provided. All you need to do is show up and lead the kids. Please talk to Violet Dauk if you can serve the Lord in this way..

## **MORE Opportunities to “Share the Love of Jesus in Practical ways”...**

### **Help Deliver Smoke Detector Batteries**

Before going to sleep Saturday night, October 29 we will all turn our clocks back one hour. People are always reminded to replace their smoke detector batteries each year on “turn your clock back” day. But many (most?) don’t remember to do that. So, we will share the love of Jesus in a practical way by taking batteries around to the homes in our area from 10:00 to noon that day. We’ll also leave them a magnet reminder that God sent us Jesus to save us eternally.

Please join us at church at 10:00am for this special outreach.

### **Donate clothing /household items to Dakota Boys Ranch**

The Dakota Boys Ranch is a place for troubled teens. They operate a used clothing store to provide funds for their programs. Please package up good used clothing that you no longer need. Members of “The Igniters” (our youth group) will come to pick up your donations on Wednesday, October 19.

Please call Bonnie Hansen for details on kinds acceptable household goods and to schedule a pick-up time.

### **Anyone for “Trunk or Treat ?”**

This is a Halloween outreach idea we would like to try if there is enough interest. Here’s how it works:

Load up your trunk (or pickup or minivan) with the candy you would normally give away at your door on Halloween. Bring your vehicle full of candy to the church. We will park our vehicles in a semi-circle in the parking lot at church and the trick-or-treaters can come to one central location and go from “trunk to trunk” instead of house to house. We would plan this along with the Spicer business’ candy-giveaway.

We will also have special Christian items available for the trick or treaters. We might even give prizes for the best decorated trunk.

Please let Pastor David know if you would be interested

This question comes because students (and adults) hear in church that God created animals and man at the same time (on the 6<sup>th</sup> day of creation). But in some science classes and elsewhere outside of church they hear that animals like dinosaurs roamed the earth - and became extinct - millions of years before humans evolved from monkeys. So, which is right? They can’t both be.

If God created human beings at the same time as he created the animals, we would expect that dinosaurs and humans lived at the same time. And if that’s the case, we might expect the Bible to mention dinosaurs, since they are such imposing creatures.

First off, if you grab a concordance (a huge book that lists all the words that occur in the Bible - and where they occur), you won’t find the word “dinosaur” in it. There’s a good reason: the last books of the Bible were written almost 2000 years ago. The word “dinosaur” was not coined until about 150 years ago when the first bones were discovered.

But if we look at a couple of chapters at the end of the book of Job, we learn about two creatures that sound a lot like the animals we now call “dinosaurs.”

*“Look at the behemoth, which I made along with you and which feeds on grass like an ox. What strength he has in his loins, what power in the muscles of his belly! His tail sways like a cedar; the sinews of his thighs are close-knit. His bones are tubes of bronze, his limbs like rods of iron. He ranks first among the works of God, yet his Maker can approach him with his sword.*

( Did you notice God’s comment “which I made *along with you*” NOT “which I made millions of years before you evolved” )

Sounds an awful lot like God could be describing a brachiosaurus.

The NIV text note that says behemoth is likely an elephant or rhino is laughable. Those animals have tails like willow wisps, not like a cedar tree. (Remember the text is from God, the text *notes* were written in by the NIV editors)

## October Discipleship Verse...

## Bible Study for Women...

### *Breaking Free*

A new Bible Study for Women - **Revised start date: Monday, October 10.**

Breaking Free is an in-depth study by Beth Moore that will take you on a journey unlike other Bible studies you may have been involved in. In Beth Moore's previous studies people like David or Paul have been the main characters. This time *you* are the subject. The journey is yours.

Each of us are products of things that have happened to us in the past. But we don't have to let those past events, people or influences keep us "locked up" for the rest of our lives. We will look to God's Word - focusing on the book of Isaiah - for answers on how to break free of the things that hold you captive.

Breaking Free is an 11-week study that includes both personal, daily assignments and weekly group sessions (Mondays from 11-noon). In the group sessions we will view Beth Moore's video lectures and discuss what we have learned from God's Word about removing the obstacles that get in the way of our relationship with God. The study includes a workbook (cost \$20)

Please talk to Shelli Block (354-2594) if you have questions. Otherwise, just come to Living Word at 11:00 on

## "God's Grace in the 60's"

The events and philosophies of the 1960's have influenced our country and our lives maybe more than any other decade.

Often there are uncanny parallels between Scripture and the events of history. As we review the 60's we'll note a close parallel to the church of Thyatira described in Revelation 2:18-28. The sixties was a decade of sexual permissiveness and dissension with the established way of doing things. Young people often rebelled against the values of a past generation, abandoning the religious beliefs and standards of their parents. Warnings were given but ignored, much as they were ignored by those in the church of Thyatira.

Each Sunday from **September 18 through October 23** (six weeks) we will take a look at some of the most important events and philosophies that came out of the 60's. We'll see how those events and philosophies have shaped the world we live in today. Most importantly, we'll see how God has used those events in our lives and look to His guidance for the future.

- October 2: **Vietnam and the Cold War**
- October 9: **Beatlemania and "The Andy Griffith Show"**
- October 16: **Free Love and Drugs**
- October 23: **"Fly Me to the Moon"**

For those of you who lived through the 60's this will be a "trip down memory lane." For those born after the 60's it will be a great chance to understand the influences that made our society what it is today.

Please join us at **9:15** for coffee, baked goods and our study of "God's Grace in the 60's"
